

REMARKS

Applicant has studied the Office Action dated November 2, 2005, and has amended claim 21 and canceled claim 28 without prejudice. No new matter has been added as the amendments to the claims have support in the application as originally filed.

Claims 1-27 are pending. Claims 1, 11 and 21 are independent claims. It is submitted that the application, as amended, is in condition for allowance. Reconsideration and reexamination are respectfully requested.

§ 103 Rejections

Claims 21 and 22 were rejected under 35 U.S.C. § 103(a) as being unpatentable over Rollender (U.S. Patent No. 6,748,227) in view of 3GPP TSG-T Liason Statement on "IPv6 update of stage 3 specifications". Applicant respectfully traverses the rejection.

With this paper, independent claim 21 has been amended to recite allowable subject matter indicated by the Examiner in claim 28, which has been canceled without prejudice. It is respectfully asserted that independent claim 21 is now in condition for allowance, as are claims 22-27 by virtue of their dependence from claim 21.

Allowable Subject Matter

Applicant graciously acknowledges the Examiner's allowance of claims 1-20 and of the indication of allowable subject matter in claims 23-28. As indicated previously, independent claim 21 has been amended to incorporate the allowable subject matter from claim 28, which has been canceled without prejudice.

CONCLUSION

In light of the above remarks, Applicant submits that the claims 1-27 of the present application are in condition for allowance. Reexamination and reconsideration of the application, as amended, are requested.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein; and no amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221 to discuss the steps necessary for placing the application in condition for allowance.

Respectfully submitted,
